

Box 104 Institute of the International Association for Research and Testing
SE-431 22 Mölndal in the Field of Textile Ecology

The company

Almedahls AB

Box 336

SE-511 23 Göteborg, SWEDEN

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our test report 11-22544-1

**CONFIDENCE
IN TEXTILES**

Tested for harmful substances
according to Oeko-Tex® Standard 100

Ö 98-082

Swerea IVF

for the following articles:

Printed and dyed textiles for home furnishing made of polyester- 100 % Trevira CS, fibres accepted by Oeko-Tex having flame retardent properties.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class IV** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for decoration material.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 15.09.2012

Mölndal, 22.11.2011
